## Big Bag Recovery - Bellingen Shire

Bellingen Shire Council is working with Norco Rural Bellingen, the Big Bag Recovery team and their Australian Government Accredited Product Stewardship Scheme for selected recyclable bulk feed and fertiliser bags and sacks over 15kg.

Bags from manufacturers participating in the scheme (below) are accepted **free** at Dorrigo and Raleigh waste facilities, and Norco Rural store in Bellingen. Norco Bellingen is also able to offer some collection of small volumes to properties they are delivering to.

Please ensure bags are as clean as possible and entirely empty. The bags can be placed inside another bag to aid with transport but may require inspection on site to ensure they are eligible for the scheme.

For more information, please contact your nearest collection point or visit [bigbagrecovery.com.au](http://bigbagrecovery.com.au)
